September 2011

Sympathy: Our friend and neighbor, John Howerton, 1182 Rockhill, passed away August 18, 2011. He served on the flowerbed committee by adopting and caring for the crape myrtle flowerbed across from the fountain, assisted at our annual meetings, and was involved and attended various activities at the pavilion. We will miss him. Our condolences to Donna and the family.

Neighborhood Watch: Late evening walkers have reported that they have been alarmed by having barking dogs running at them from a home. When dogs are outside, they are to be on a leash.

Flowerbed Committee: Despite the extreme heat we had during the summer, flowerbeds have done well, and they show the pride that we take in our subdivision. Thanks to Flowerbed Chairperson, JoAnna Jones, for her leadership, and to all of those who have been involved in maintaining the reputation of beautiful flowerbeds in the Quail Creek subdivision.

Board Meeting: The next board meeting is scheduled for October at the home of Donna Howerton.
